EXPERIENCE

VERIDA INC, Chattanooga, TN — CSR

JAN 2022 - SEP 2022

I assisted healthcare patients with non-emergency medical transportation to and from their doctor appointments.

Walmart, Chattanooga, TN — Online Grocery Shopper | Front End Associate

MAY 2020 - SEP 2022

I have worked on and off at Walmart for approximately two years. I have done two different positions for two different locations. In all positions, I have used customer service skills to assist with customers.

EDUCATION

University of Tennessee at Chattanooga, Chattanooga, TN — Bachelor's Degree in Communication

AUG 2022 - AUG 2024

I attended the University of Tennessee for my last two years of the Tennessee Transfer Pathways. As a Communication major, I learned the ins and outs of the media field while in attendance at UTC. I learned more about editing software; specifically Adobe Software.

Chattanooga State Community Technical College, Chattanooga, TN — Associates Degree in Mass Communications

AUG 2017 - DEC 2021

I attended Chattanooga State for my first two years of college. I was enrolled in the Tennessee Transfer Pathways. At Chatt State, I had a lot of hands-on experience with working on news production. I was not only educated, book wise. I completed my core classes at Chatt State.

SKILLS

PROJECTS

Twin Identity — school based short film

During undergrad, I was tasked in my Film Production course at UTC to produce a short film. I teamed up with three other classmates and we created our first short film named Twin Identity. This film was submitted to UTC's The Roost film festival.
