PROFESSIONAL SUMMARY

I'm a 24 year old inspiring actor who is ready to get his feet wet and start to get some experience underneath my belt. I've had a passion for acting since I was 11 years old. It started when I watched MTV's Teen Wolf. When I was 14 years old, I did Drama and Theater and fell in love with it. Being apart of a team who loves creating art are the type of people I want to be around. Playing someone other than myself would be a fun and difficult experience, but worth it
