### WORK EXPERIENCE

---

#### **Freelance Writer, The End of AIA**

April 2018 - Present

Writing a fiction novel, mostly finished; considering writing it in screenplay format.

#### **Team Leader- Third Grade, Port Orange Elementary/ Volusia County, Florida**

October 2016 - June 2017

Oversaw Third grade after school students, typically 23; lessening through the afternoon as parents picked up children. Oversaw playtime, homework time, meal time, then more outside play time.

Duties included taking roll and overseeing also Fourth and Fifth grade students as well, when those Leaders were absent, or their teaching duties prevented them from attending after school program duties. At times included overseeing also the Kindergarten, First and or Second Grade children, their Leaders were frequently absent. The position required eyes-on supervision at all times, keeping track of which children went to special after school activities, when they left, when they returned, when their parents picked them up.

Helped coach kids in different games, assisted with math and reading homework, endeavored to mediate minor frequent spats. Maintained radio contact with program supervisor at all times.

Hours required were 1 pm to 6 pm.

Left to work on selling my father's house after he passed.
