HFA (Home Field Advantage), Unified sports (Special Olympics), Link crew

Downey CA

- Unified Sports (Special Olympics)

(Warren High School)

Duration: 3-5 years

I facilitated a supportive environment by assisting with setup, guiding participants through various sports activities, and ensuring each athlete's safety and engagement. My role included encouraging teamwork, fostering inclusivity, and promoting positive interactions, allowing athletes of all abilities to thrive and enjoy a meaningful sports experience.

- HFA (Home Field Advantage)

(Warren High School)

Duration: 2 years

Home Field Advantage (HFA) is typically a community-focused program that provides youth athletes with training, coaching, and support to develop their skills in sports like soccer. It often emphasizes accessibility, teamwork, and the personal growth of each player. Being part of HFA means you helped mentor young athletes, fostered their development, and, with your recognition as Coach of the Year, demonstrated an exceptional commitment to the program and your players.

Link Crew Leader

(Warren High School)

Duration: 2 years

Downey, CA

Link Crew Leader with two years of experience fostering a welcoming school environment, guiding new students through their high school transition, and leading activities that promote community and engagement.
