

Amitoj Strk

Amritsar, Punjab, India | +91 7814472878 | amitojstrk@gmail.com | Height: 5'10" | Age: 20 | Nationality: Indian

Objective

A dedicated and versatile actor with a natural talent for emotional storytelling, seeking to bring authenticity and depth to roles in international movies, TV shows, and online series, including platforms like Netflix and Prime Video.

Performance Experience

- Improvisational Performances (2013-2014)
- Delivered compelling performances in school events, specializing in emotional and dramatic skits.
 - Mastered improvisation by convincingly portraying scenarios to navigate personal challenges, such as securing leave and rewards through acting.
- Self-Directed Acting Practice (2013-Present)
- Developed a deep understanding of character portrayal by analyzing over 500-1000 English, Hindi, and Punjabi films and series.
 - Practiced emotional scenes independently, focusing on heartbreak and dramatic roles, with a natural ability to evoke genuine emotions.

Training & Development

- Self-Led Acting Training (2013-Present)
- Studied acting techniques, emotional expression, and dialogue delivery through extensive YouTube tutorials and online resources.
 - Focused on American accent training and character immersion by analyzing international series and films.

Skills

- Emotional Depth (ability to cry on cue and portray complex emotions authentically)
- Languages: Hindi (Fluent), Punjabi (Fluent), English (Proficient with a strong American accent)
 - Character Versatility (adaptable to dramatic, comedic, and supporting roles)
 - Improvisation and Quick Learning
 - Passionate Storyteller
 - Self-Taping and Online Audition Proficiency

Additional Information

- Open to international travel and relocation for projects.
- Experienced in self-taping and virtual auditions.
- Eager to collaborate with international teams on movies, TV shows, and online series, with a particular interest in Netflix and Prime Video projects.
