BIO:

My name is Timileyin Taiwo, an inspiring model based in Pittsburgh, Pa. I am 5'6 with dark brown eyes. I have 4c dark brown hair. I decided to pursue modeling and acting after being in my school's drama club. I signed with a Barbizon in 2025, and since then, I have been looking for opportunities. I've been included in an African day catalog by the University of Pittsburgh in 2023. I am interested in commercial and print models but would also like to try out runway modeling. I'm also passionate about animal rights and volunteer at my church as an elementary educator where I can advocate for special needs kids. In my free time I like to write, swim, badminton, crocheting and going to the gym.
