## PERFORMANCE

*Record it Right. Close the Deal!*

Imagine a voice over talent whose more interested in  
~ **WINNING AUDITIONS & CLOSING DEALS** ~  
than hearing himself talk!

That's how I approach every pro voice-over audition or recording session!

I'm there to make a sale & that means, I'll be using every ounce of my training and experience to convey just the right amount of **Excitement, Charm, Sincerity, Drama, Intensity, Sexiness or Humor**. I've earned the trust of hundreds of satisfied customers!

**I am seeking representation** to open those doors I can't get my independent foot in!  
If you can get me in the door, I'll do everything I can for us to...**CLOSE THE DEAL!**
