WHAT'S THE TEA?

I'm Brittani, a wife, mom to a busy toddler, and a proud millennial who finds joy in balancing family life with creativity. As a content creator, I specialize in crafting high-quality, personable videos that connect with my audience.

I love collaborating with brands to build authentic campaigns that inspire and deliver results. Fun Fact: My husband is also a content creator, and collaborating on projects together is one of our favorite ways to have fun and get creative!
