ACTING

I've enjoyed watching movies since I was a kid. I am an Indian who was born and raised in Hong Kong. So, I grew up with Hong Kong cinema, Hollywood, and Bollywood. I am grateful to have been born and reared in a household that exposed me to both Western and Eastern culture through film.

My favorite director is Wong Kar Wai. Watching his movie makes me feel like I'm in a dream. They feel strange, but it also feels like it's happening right in front of me. The individuals and stories all convey a sense of loneliness and heartbreak, yet they do so in a beautiful way.
