Seeking Representation

With award-winning choreography, a commanding on-camera presence, and a passion for visual storytelling, I ignite energy, creativity, and professionalism in every project. A graduate of Barbizon's elite training program, I fuse an alt-glam aesthetic with Gen Z chic and futuristic fantasy to deliver compelling performances and captivating visuals. Experienced in music videos, runway, and performance modeling, I am driven to collaborate, innovate, and transform editorial, fantasy, commercial, and alternative styles.
