Profile

Julia Shrader is an experienced individual in on stage theatre, and would like to begin and grow her career in acting behind a camera. She attends acting lessons and voice lessons every week. Skilled in embodying complex emotions and portraying a variety of characters.

Experience

Six the musical teen edition—Anne Boleyn — 2024

In this musical Julia played the role of “Anne Boleyn” which featured her acting, dancing, singing, and comedic skills. This show was very high energy and required long rehearsal days.

13 the musical—Kendra—2024

In this musical Julia played the role of “Kendra.” This role mainly featured her acting and singing abilities. Kendra was a very girly, and ditzzy character so this was an easier character for Julia considering she is casted as those types of characters a lot.

Beetlejuice Jr.—Lydia—2025

In this musical Julia played the role of “Lydia”. This role featured Julia’s acting and singing. This role also helped her gain experience with a more serious and sad character.

Merrily We Roll Along—Tyler/ensemble—2025

In this musical, Julia played the role of “Tyler”, who was an ensemble member with singing solos and a few lines. Originally, the musical was meant for high schoolers, but after the director saw Julia’s maturity and talent, he let her participate in it. This role included long hours of music rehearsal and late nights.
