- Oversaw pharmacy technicians drug preparation and distribution activities to provide safe and efficient care for patients
- Directed operations in order to increase efficiency and minimize patient wait times
- Followed state and federal record keeping guidelines for legend drugs and controlled substances
- Successfully assisted patients with medical issues; provided valuable and appreciated healthcare counseling
- Promptly resolved customer issues, complaints and questions

Pharmacist in Charge

Bethelview Pharmacy

The Marquess Group

November 2022-December 2023

- All the same duties and responsibilities as reflected in the first entry
- All the job responsibilities expected of a pharmacist in charge
- During the time that I was pharmacist in charge I developed great relationships with every patient that we had and knew most of them by name.
- At the end of December 2023, the Marquess group sold his store suddenly and I did not know about it until the day it was sold
- The Marquess group had gotten themselves into a position where they had more pharmacies than they could manage so that's why they sold it.

Pharmacist, PRN

The Marquess Group

February 2020 to Date

- Same job duties and responsibilities as previous entry.
- Will work shifts for this group on an as needed basis

Compounding Pharmacist

North Fulton General Surgery

Roswell, GA

March 2016 to Date

- This is a physician dispensing setting.
- I prepare specific formulas requested by Dr. Alan Goldman for his hemorrhoid patients
- I prepare between 200-500 45g containers a week on my own schedule
- Same job duties and responsibilities as previous entry plus additional listed below.
- Maintain-required daily logs for calibration, refrigerator and freezer temperature, room temperature, room humidity and cleaning
- Carefully weigh all active and inactive ingredients in various forms (powder, ointment, cream, etc.)
- Wear proper lab coat, gloves and hair cover at all times while compounding and in lab
- Operate equipment safely and with care
- Thoroughly clean-all equipment, machinery and tools at the end of the day or as necessary through product preparation
- Label all lots of products properly and rotated stock oldest to newest
- Fill incoming doctor orders, prepare for shipping, pack and take to post office
- Routinely review-formulas for accuracy
- Signed all log sheets daily
- Add new formulas as dr requests them

Pharmacist in Charge

Georgia Treatment Center - Cumming, GA

February 2016 to June 2018
