AMÉLIE P. MCGARRELL

À PROPOS

I'm a **French Canadian** and **Guyanese** talent, born and raised in **Montréal**. With over 10 years of on-set experience as a model, I'm now represented by **Montage Models in Montréal** and **The Project for acting**. Over the past decade, I've worked as a personal trainer, TV researcher, and appeared in high-profile productions, including Adele's Easy on Me. I earned **ACTRA status** for my role in **Shoresy** and have featured in American, English-Canadian, and Quebec productions. I'm passionate about hosting, voice-over work, and expanding into comedy and fiction acting roles.
