DIALECT COACH

Ted (television series)

Dialect coach for the lead actress, Alanna Ubach

Season 1 and Season 2 (2024)

As quoted from IndieWire "The 34 Best Film and TV Performances of 2024"

Alanna Ubach in "Ted"

Not only is her Boston accent the best of a very disparate bunch (and by "best" I mean consistent, appealing, and at one with the gahbled greatah Massachusetts dialect made populah by countless cinematic classics), but no matter the scene in "Ted," Alanna Ubach is always finding extra laughs.
