## Skills

Ability to Work Under Pressure  
Project Management Skills  
Highly responsible and reliable  
Leadership

## Languages

English

## Profile

- studying performance and music business at Berklee School of Music, with seventeen years of classical training.
- Having received a performance scholarship, as well as performed on television, won various talent competitions, and performed as a background pianist since childhood, I recognize the value in motivated students receiving proper musical training in a digestible and engaging manner to encourage within the younger generation an artistry of authenticity.
