Noir Thornton is an African-American & Guyanese Actor, Gamer & Creator, born & raised in Richmond Hill, Queens, New York. Actively working as a Voice Actor since age 17, in 2020, Noir has since worked on projects from a diverse pool of brands & creatives: PlayStation, Harley-Davidson, McKinsey & more

He has a deep passion for gaming, creating, acting, cooking, practically all-things artsy & entertainment. And his dream is to tell stories, to create art, through Video Games, Animation, Film & More.

The sheer thought of creating masterpieces with creative, talented minds, crafting something that people of all colors, identities, shapes & sizes can enjoy & relate to...it's one hell of a motivation.
