Other Work Experience

Emerging Choreographers Showcase - University of Houston

November 2021

- This project was also for a dance production class and taught people how to produce another show this time for the Department of Dance at the University of Houston called Emerging Choreographers Showcase. I was given the title of Stage Manager where I was in charge of lighting cues in each dance piece and making sure the show ran smoothly.

Sanctuary - University of Houston

October 2021

- Sanctuary was a performance by the dance company “Chapman Dance.” The project was for a dance production class and we were tasked with producing the show. This was an outside-of-the-classroom project seeing as it took place in the MATCH in Midtown. My job was lighting specifically gel changes backstage. This allowed someone to learn how to change gels and how they affect stage lighting.

Backup Dancer and Choreographer

July 2021 - August 2021

- Given the opportunity to be a part of a music video, titled “Wave,” as a backup dancer required several rehearsals and the task of presenting choreography for Barry Wallace, also known as “bthealphamale” in Dallas, TX. Then these pieces were performed at a music video shoot edited and uploaded.

Dance Program at UH Q&A
