If you could take Catherine O'Hara's Moira from Schitts Creek, Rue McClanahan's Blanche in Golden Girls with a splash of Glenn Close's Cruella DeVil you'd have Alison Brown. I love playing outrageous characters, the crazier the better. My 1st play was at the Des Moines Community Theater I was 10. Played Helen Keller in The Miracle Worker. We got a standing ovation & I was hooked. My other passions are swing dancing, traveling to exotic locations & volunteering for a dog rescue & to stop human trafficking.
