## ABOUT ME

---

I am a multidisciplinary artist specializing in live painting, custom sneaker art, cartoon character creation, and youth-focused art experiences. I transform everyday items into narrative-driven, culturally resonant artworks that blend education, street fashion, and visionary expression. My work builds connections across people, art forms, and generations.

## PROFESSIONAL EXPERIENCE

---

**Art with Christy Charlot Mobile/Travel-Based - Founder & Lead Teaching Artist** **May 2025 - Present**

- Launched a mobile youth art program specializing in custom sneaker design, cartoon character creation, and confidence-building workshops for schools, festivals, and community/event spaces.
- Designed and led hands-on art experiences that promote self-expression and artistic development in young creatives.
- Developed branded curriculum, organized live demos, and built strategic partnerships with school leaders and local organizations to scale the offering into a tour-ready experience.
