Professional Summary

I'm a 26-year-old fashion and lifestyle model from Venezuela based in Miami, Florida since 2018. I specialize in runway, editorial, and digital content creation and no agency at the moment. Over the past few months, I have worked consistently and with discipline to attend castings and become part of multiple fashion shows and photoshoots. I currently work at a dog daycare, which helps support my journey, but it does not limit me from pursuing what I truly want: a full-time modeling career.

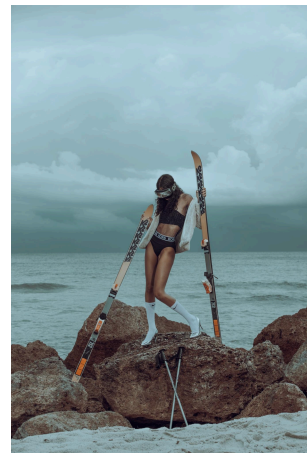

My experience includes collaborations with fashion designers, lifestyle brands, and participation in high-profile fashion events. I bring a dynamic presence on camera and on the runway, combined with strong creative direction skills and adaptability. I'm fluent in both Spanish and English and open to travel for work opportunities.
