ACADEMIC PROJECT

Educational Learning Technologies Course – Atlanta, Georgia

January 2024 – May 2024

Project Manager, Experimenter

- Designed four projects and crafted lesson plans to integrate computational technologies into learning environments through innovative techniques grounded in educational research
- Led an interdisciplinary learning game on Data Structures and Binary Trees for humanities majors, improving comprehension and computational thinking skills from 47.5% to an 80% score range

Senior Design Final Project – Atlanta, Georgia

August 2024 – December 2024

Product Designer, Web Designer

- Prototyped an accessible fashion portfolio website using JavaScript, HTML, and CSS, adhering to WAVE accessibility standards and implementing accessible web design principles

EXPERIENCE

Black Archives – Atlanta, Georgia

February 2025 – May 2025

Event Coordinator

- Drew a 50% turnout rate and engaged 30+ students and faculty by organizing the archival workshop, 'Activate The Archive,' focused on historical preservation and memory work across several decades

Mastercard – St. Louis, Missouri

June 2024 – August 2024

Technical Program Management Intern

- Simultaneously managed seven new and ongoing projects including launching a New Hire Hub to serve and empower 4,500+ employees with critical information based on employee feedback; aligned site with global visual identity standards
- Advanced Mastercard's ESG goals by participating in community engagement opportunities, such as speaking on a panel for 50 middle school-aged Black girls interested in STEM, and contributing to sustainability efforts through code testing for a donation tool

The BluePrint – Official News Publication of Spelman College – Atlanta, Georgia

January 2023 – Present

Executive Board Member, Section Editor (Archives), Staff Writer

- Boosted student engagement by interviewing and surveying 35+ Spelman students for two published articles, winning Journalist of the Year and Best Headline (2023-2024)

The Braven Accelerator – Atlanta, Georgia

August 2022 – December 2022

Fellow

- Developed workforce skills such as leadership, operation, management, communication, collaboration, and problem-solving by completing a 15-week leadership and professional development course
- Designed a career plan by outlining 7 specific, short-term goals using the SMART goals method and identified possible obstacles, strengths, and support systems to help achieve each goal

Kohl's – Cartersville, Georgia

July 2022 – August 2022

Customer Service Associate

- Provided technical support on the Amazon and Kohl's apps daily and aided customers with pick-up orders, store reward cards, and credit cards to solve concerns and create a pleasurable shopping experience
- Processed returns and exchanges for 30+ customers daily through Amazon and Kohl's in a timely and hospitable manner
