Growing up in Atlanta, Georgia, in a single-parent household where my parents didn't have the chance to attend college, I've been inspired to break barriers within my family and pursue higher education. Participating in programs like Upward Bound, Morehouse TRIO, Future Seekers, and NHSS has provided me with invaluable support and guidance on my journey to college. Despite facing challenges, I've remained resilient and determined in my academic pursuits. I have a desire to make a positive impact on my community. As I prepare to transition to college, I'm eager to continue my academic journey, defy expectations, and become the second in my family to earn a college degree. With my commitment to excellence and passion for learning, I'm confident that I can thrive in college and make a lasting impact on the world around me.

EXPERIENCE

Six flags over Georgia

April 2021-july 2021

As a food and beverage worker at Six Flags Over Georgia, I helped prepare and serve food and drinks to park guests. My job included taking orders, making sure each order was correct, and handling payments as a cashier. I also kept my work area clean and stocked with supplies. I made sure customers had a good experience by being friendly and answering any questions they had. My role helped me learn to work quickly and stay organized in a fast-paced environment.

EDUCATION

I have been attending Benjamin E. Mays High School from August 2021 and will graduate in May 2025. I am part of the work-based learning program, which lets me leave school at 12:00 to go to work. Through school, I've learned skills that can help me on the job, like teamwork, time management, and communication. My classes have taught me to be responsible and stay organized. These skills make it easier for me to succeed both at school and in the workplace.

EXPERTISE

- Customer service
- Time management
- Cash handling
- Teamwork
- Problem-solving

SKILLS

- Leadership: I take initiative and lead clubs or teams, showcasing my leadership skills and ability to work.
- Community Involvement: I actively participate in volunteer work and community service projects, showing my commitment to making a positive impact beyond myself.
- Critical Thinking: I possess strong critical thinking skills, allowing me to analyze information and solve problems effectively.
- Communication Skills: I excel in both written and verbal communication, which are essential for success in college and beyond.
- Adaptability: I am resilient and adaptable, able to navigate new situations, learn from experiences, and overcome challenges.
