Primary Analyst for TSA's Intelligence Division responsible for researching aviation-related threats to the US originating from the Asian/Pacific Region.
- 04/2020 – 07/2021**      **Statistical & Research Analyst/Temporary job in response to COVID-19 pandemic**, conducted mapping of COVID-19 case prevalence via ARCMAP. Provided research for DHEC's Epidemiology Department response to the Coronavirus pandemic.
- 10/2019 – 04/2020**      **Contracted Intelligence Analyst/CACI:** Conducted analysis of Foreign Ownership and Control of US businesses. Used Lexus Nexus, JPAS, and Analyst Notebook to investigate business structures to verify compliance with Industrial Security protocols and facility clearances. Also conducted analysis in support of deployed US forces for Operation Inherent Resolve.

## Experience (continued)

- 11/2018 – 10/2019** **Asset Protection Detective/Macy's Department Store, Greenville, SC**  
Used legally authorized behavior-based investigative methods, CCTV, and mobile surveillance to identify, confront, and detain dishonest individuals. Researched and authored several police reports, including recorded video footage of theft incidents. Trained two new Asset Protection Detectives as well as a new Operations Manager that needed familiarization with the facility's layout. Efforts resulted in the recovery of over \$8,000.00 worth of stolen company assets by conducting extensive surveillance on both internal and external suspects.
- 01/2018 – 08/2018** **Emergency Coordinator-Planner/G4S Secure Solutions, Laurens, SC**  
Conducted extensive chemical and HAZMAT research for a major automotive production plant. Certified to teach 40-hour HAZWOPER course.
- 09/2017 – 11/2017** **Security Officer/Walden Security – Interim Job after military retirement, Provided corporate office security to major multi-tenant high-rise buildings throughout the Dallas-Fort Worth metroplex.**
- 1997 – 2017** **United States Navy – *Global Locations***
- 2014 – 2017** **Intelligence Analyst (N2), Naval Criminal Investigative Services - Yokosuka, Japan**
- Three years of full-time law enforcement intelligence analysis at a level equivalent to a journeyman GS 11, including intelligence monitoring, name traces, open-source research, timeline analysis, link analysis, and authoring intelligence analysis assessments.
  - Appointed as Lead Research Analyst at the NCIS Field Office in Yokosuka, Japan and conducted intelligence analysis for real-world threats.
  - In-depth investigative analysis into a fatality (Death Investigation) aboard a U.S. Naval vessel.
  - Supported over 600 investigations and 40 operations across five countries, including two flash points for world crises.
- 2011 – 2014** **Ground Intelligence Analyst/Naval Special Warfare Support Activity TWO Virginia Beach, VA/Afghanistan**
- Provided intelligence analysis and direct support to Naval Special Warfare operations.
  - Researched and communicated daily information updates on threat trends to Senior Decision-makers.
  - **Human Resource Manager for over 100 Linguists** in a combat region that spanned three Provinces and conducted tactical debriefings (Interviews/Interrogations).
  - Mitigated risk exposure to US Special Operations Forces through proactive research that absorbed intelligence data in advance of daily operations to determine threat levels and prepare risk assessments.
- 2008 – 2011** **Intelligence Specialist/Air Intelligence Watch Officer, North American Aerospace Defense Command (NORAD), Colorado Springs, CO**
- Supervised and coordinated analysis, processing, and dissemination of strategic-level intelligence on a Multi-National Watch floor (US/Canada/Mexico) that monitored the Air Defense Identification Zone (ADIZ) for the entire North American continent.
  - Produced over 100 time-sensitive reports that identified incoming air threats by conducting both qualitative and quantitative analysis.
  - Improved the intelligence reporting process by ***Instructing, Leading, and Mentoring***

junior active-duty Naval personnel.

- Volunteered to support the earthquake response in Haiti in 2010.

**2007 – 2008**

**Intelligence Branch Manager/Joint Intelligence Group, Guantanamo Bay, Cuba**

- Senior Intelligence Specialist for the Detainee Assessments Branch, supervising the interrogation efforts to gather 100% of significant events affecting national security after 9/11 by working closely with Legal and Intelligence Staff.
- Analyzed and edited hundreds of Human Intelligence (HUMINT) Analysis Reports pertaining to Counterintelligence and Counterterrorism related issues for dissemination to higher authority.
- Conducted interrogations and intelligence analysis of war crimes investigations in support of the United States government's Global War on Terrorism (GWOT).
- Raised overall morale and welfare on base by successfully planning, coordinating, and organizing two base-wide events requiring approvals from multiple departments.
- Took over military leadership of three separate intelligence departments at the Joint Intelligence Group during a time of low staffing.
- Assisted the Defense Intelligence Agency by fixing and re-establishing the connectivity of satellite communications equipment after a major storm.

## Community

Extensive community service and outreach throughout the United States since 1997. Supported "*Mothers Against Drunk Drivers*" in Colorado Springs, CO while stationed at Peterson AFB. During off-duty time, I volunteered for and graduated from the El Paso County's extensive Mountain Rescue Training Academy and became an active member of El Paso County Search & Rescue Team that was on call with the Sheriff's Department. Successfully participated in several SAR missions, including the successful rescue of a lost elderly Korean War Veteran who was suffering from dementia. Also studied for and became a formally trained and certified Private Investigator during off-duty time through the Virginia Department of Criminal Justice Services, while stationed in Virginia Beach, VA where I successfully investigated a Skip-Tracing case for the Danial Miller Law Firm.
