Professional Summary

I have a lot of experience in a few different areas, from trucking to nursing to serving to working with children and of course customer service/restaurant experience. I have a great personality, and I interact very well with anyone. I am hard working and dedicated, and most of all a team player. I do not mind helping others or filling in where there's a shortage. I am very punctual and dependable. I have a strong work ethic and I do not make excuses, I make people happy!!!!

CNA - Certified Nursing Assistant

Clipboard Health

March 2024 to Present

I work through Clipboard Healthcare periodically. I travel between multiple locations within North Carolina and pick up shifts at different LTC facilities assisting patients with feeding, bathing, clothing, monitoring, ADLs, and ETC. This is very similar to a PRN position so I can pretty much create my own schedule.

Volunteer Work

Ruby J. Johnson Head-Sumter, SC

January 2014 to October 2015

I did some volunteer work helping the teachers with the children at a head start facility. I helped set up the classroom and obtain the necessary materials for the day. I also did some cleaning and organizing as well. On a typical school day, I would assist with setting up for breakfast and lunch, and also putting the children down for nap time. I assisted in helping the children participate in classroom activities. I also helped a few children who needed assistance or who had behavioral issues.
