I am a 19 year old student from Soweto in South Africa. Born 21 September 2005 (Star sign: Virgo). For the last 5 years I was raised by a single mother. I am currently studying to complete my Advanced Subsidiary (AS) Level. I am also currently working with my mother run our small family shop. I wish to pursue a career in the world of film as an actress and hope to level to become a director. I have passion for the world of arts which includes film, drawing, dancing, music, poetry, etc.
