As I head towards the end of a long and successful career in law enforcement I am looking to expand my skills and experience in the film industry. I have been making professional costumes and props for almost two decades, and am well versed in vacuum forming, mold making, casting, sewing and 3D printing. I have also done some minor acting and crew assistance in small independent films and have been a background extra in some major television shows and feature films.

EXPERIENCE

POLICE CAPTAIN

Bradley Beach Police Department, NJ

1996 - PRESENT

I began my career as a dispatcher, and worked through the ranks as patrolman, detective, road sergeant, detective lieutenant and now captain. I have been a field training officer, supervisor and administrator helping run a small department in a shore town. I have also been an EMT for 30 years and maintain all aspects of our agency's EMS responsibilities.
