Special Projects

Digital Animation Study Abroad, Kennesaw State University SOAAD - *Tokyo, Japan,*
May 2025

- A group of 25 animation students were tasked with creating a music video for a Japanese band, with our professor acting as director of the project.
- The project was broken up into teams, where each was assigned a specific component of the final piece.
- As volunteer team leader of our group, I sourced the necessary materials, devised a plan to complete our assignment, divided up tasks, and scheduled meetings for the team to work together to finish our portion of the project.
