Education

Biola University, La Mirada (Grd. December 2023)

BA of Psychology

Experience:

(October 2024-Present) *Registered Behavior Technician at Butterfly Effects*

- Aide neurodivergent local kids in achieving behavioral goals, reducing maladaptive behaviors, through clinically proven therapeutic measures including naturalistic environment training, behavior modeling, positive psychology, and assisted digital speech
- Provide detailed session notes, and collaborate with the BCBA to conduct plans in session with the kids, tailored to their individual needs and disabilities' limitations
- Act as an advocate for child's accommodation and security when in different locations, travel with the family to school and or appointments for crises prevention
- Teach kids how to manage their behavioral tendencies in a more productive and helpful manner, usually including avoiding aggression, kicking, and or obsessive compulsions

(October 2023-June 2024) *Cashier at Panera Bread*

- Took accurate orders from customers, offered suggestions, hosted with Panera hospitality
- Prepared beverages, food, and cleaned entirety of the restaurant to provide a pristine, warm, dining experience for customers
- Tore down decor, racks, ovens, and air vents very often, organized and counted cash daily

(September 2023-December 2023) *Intern Visitation Supervisor at Olive Crest*

- Facilitated visitation hours between parents and children when court-separated, wrote summaries of session to help them have the best chance of reunification possible
- Assisted parent's social casework education, informing them on current regulations, laws, and advices that were designated most appropriate for their specific situation reunification goals to ensure safety of families
- Organize activities for kids talking to vendors, manually decorating rooms, keeping a constant schedule maintained, and publicized all events to a network of involved families

Extracurricular Activities And Freelance Work

(March 2018- September 2021) *Synchronized Figure Skating Competitor with California Gold*

- Memorized routines and conveyed them to the team as captain yearly
- Performed shows on ice, in multiple states across the US, working on performances for months at a time, kept a mandatory exercise and practice schedule
- Won the sectionals championship increasing our national presence as a freshly founded team.

(October 2020-Present) *Freelance Digital, Pastel, and Painting Artist*

- Realized and painted custom art for individuals
- Created a linear price
- Create a piece of art for the customer while communicating time constraints, updates on progress, and modifications desired.
