Career Objectives:

Continue to expand active movie rolls in the movie business.

Acting Experience:

Colorado Wild Bunch – We perform western cowboy shows to keep history alive. Master of Ceremony for the last 3 years for Madam Lou Bunch Days in Central City Colorado.

Because of my ability to provide an outstanding presentation I'm often requested to provide entertainment skits or story telling for private groups such as the Shiners and the Ellie Chaukins Opera House.

I have over 15 years of experience in acting performances with Gilpin Historical Society. The historical society provided a play for the Sesquicentennial Anniversary Celebration of Black Hawk Colorado, Colorado's second oldest incorporated city.

Gilpin Historical Society annual events:

Cemetery Crawl - Every year we highlight one of the 15 cemeteries in Central City. We reenact the life story of someone buried in the cemetery.

Creepy Crawl – During the Halloween season we reenact creepy historical stories of people in the past.

Characters in pilot series to a movie (Gold Cup City and Dragon West)

I'm known for working well with others and the ability to play any character. Since I am retired I have the ability to be available and travel to locations.
