📍 Los Angeles CA

I'm emotional and sensitive — but also tough, disciplined, and competitive. I break stereotypes: I work in tech, love to ride my e-skateboard, and train in boxing, Muay Thai, and CrossFit. But I also like beauty and fashion. I was a child actor, grew up in Germany, and now live in LA. Lastly, I'm a good human who tries to do one kind thing each day.

# JULIA JENKINS
