## Work Experience

**Union Member** | LiUNA! Local 506

2025- Present

---

- Hazardous Materials Worker

**Confined Space Attendant** | Safety First Rescue Unit

2025- Present

---

- Monitor confined space operations by maintaining constant communication with entrants, logging entry/exit times, and ensuring entry permits are properly completed and a rescue plan is established.
- Conduct ongoing atmospheric testing for O<sub>2</sub>, LEL, CO, and H<sub>2</sub>S using multi gas monitors, ensuring levels remain within acceptable exposure limits to maintain a safe working environment.
- Implement lockout/tag out procedures to isolate hazardous energy sources.
- Inspect, operate, and maintain rescue equipment—including fall arrest systems, winches, ropes, and SKEDS—while serving as standby personnel ready to initiate rescue procedures if necessary.

**Patient Transfer Attendant** | NUPT

2024- Present

---

- Operate a non-emergency ambulance, transporting patients across Ontario, including hospital transfers, home drop-offs, and runway pickups at YYZ.
- Facilitate the safe transfer of patients across all age groups, from neonates to geriatrics, ensuring their comfort and security during transport.
- Utilize a range of specialized medical equipment, including oxygen tanks, cardiac monitors, transfer sheets, transport incubators, power stretchers, and stair chairs.
- Monitor and document vital signs, and ensure the accurate completion of transport records, whilst collaborating with company dispatch, nurses, and other healthcare professionals.
- Perform routine inspections and maintenance of ambulances and medical equipment to ensure compliance with safety and operational standards.

**Crew Member** | McDonald's

2021- 2022

---

- Responsible for creating an inclusive and supportive environment amongst team members; ensuring a high level of customer service is delivered; preparation of food and beverages in a fast paced environment.

**Program Supervisor and Piano Teacher** | Golden Tree Kids Center

2018- 2020

---

- Supervising after school programs; student lesson planning; instructing piano and music theory lessons.
