About Me

Dedicated performer and actor with 7 years of experience, as well as modeling and performance with 3 different instruments. 4 years of experience in working at theme parks, including Universal Orlando Resort and Walt Disney World. Special interest in discovering new ways to break the boundaries of performance and being the best at what I do, whether it be Leadership or learning under new environments.

Professional Experience

Elec-Tec Electrical Company
2017-2018

Key responsibilities:

- Analyzing new projects and studying how to better understand my creative skill
- Assembly of wire harnesses for vehicles and learning about how they operate
- Consult with the management team to develop new and efficient ways to perfect our performance

Walt Disney World Resort (Galaxy's Edge)
2019-2021

Key responsibilities:

- Performance in new, themed character roles that had not yet been shown to the public
- Operation in two brand new attractions and learning the mechanics and theming with how they operate.
- Leadership skills and communication experience, especially under difficult guest situations.
- Customer service skills

Universal Orlando Resort
2021-Present

Key responsibilities:

- Operations at both Entrance of park and in Entertainment
- Resolved difficult guest situations in a calmly and themed manner
- Always discovering ways to encourage my team and keep a positive work environment, whether it be as an animated character, or running things at the park entrance.
