About me

I'm a graduated high school student from labschool cibubur who are currently studying in LSPR Business & Communication institute Jakarta. I have developed various skills in performing arts as my area of expertise. I'm able to work well both in a team environment as well as using own initiative. I'm known as an easy going, hard working, and self - motivated person who always enthusiast to learn and undertake new challenges. I'm very determined and passionate when it comes to doing the things I love the most especially achieving what I want. I've been working with several brands & companies as a Social Media Influencer Talent, Fashion model & Music Performer for years due to my great competence.
