Testimonials

"Linda's Gift Basket was colorful and fun, full of different items - both practical and whimsical. It just made me smile!" "Linda's gift baskets are fun and cheerful! Each is unique and goes far beyond the typical wine and chocolate in rattan. These are a great gift because it will reflect the personality of both the receiver - and the giver."

"The basket was really a pick me up when I was having a pretty rough day. It was bright and I loved the pretty flowers and the assortment of treats. It was like finding a special little treat each time I took another look. I said a special prayer of thanks for the wonderful person who sent me the basket. It was like a smile from heaven."

Dear Linda:

The basket you sent was absolutely beautiful, very practical, and a beautiful glass I could continue to use. The chocolate chip cookies were outstanding! A must for those who want something delicious, beautiful and a keep sake too. Everything arrived as if it was just received from next door. Thank you for all the love you put into my special gift.

Hi Linda,

Gracie and I made some notes a few weeks ago about our Gift basket. From what I remember, we were amazed at the amount of stuff; it just kept coming and coming! We also thought it was beautifully arranged. Plus, it felt very personal.
