March 3rd/2025

To whom it may concern

I am a senior at Queen Anne's County High School, I have focused my high school career on Honors classes and theatre classes, such as Actors Studio 1-2, TV Production, Play Production, and two shows I have been in and starred in, and I would love to be apart of your theatre program.

I have a strong theatrical voice, I am able to slip into the shoes of the characters I play, studying the scripts and understanding how they think, feel, and operate. I played the role of "Mr. Boddy" in the 2021 QACHS theater show "Clue" (Based on the board game and movie) as well leading in the show "Emma" in 2024 as "Mr. Knightly" one being a suave host who was secretly the butler who gets MURDERED! While the other being a know it all rich man, who berates his love interest Emma for meddling in the love lives of everyone around them.

I learned a lot in my Actors Studio 1-2 classes, reciting several contemporary and classical monologues, as well as picking apart and dissecting several early works, from shakespeare, chekov, and more. On top of that, in Play Production, I was a key component in painting, building, assembling, and designing the set of "Arsenic and Old Lace" which included a second story with stairs we had to assemble.

This year I am in TV production, learning the ins and outs of...well TV production! I host the weekly news report where I film, write, and edit my segments as the lead anchor, a report the entire school sees every tuesday! To finish it up, I feel like I have what it takes to be apart of the Samford University theater department, thank you for taking me into consideration.

Sincerely,

*Robert Barnes*
