About me

Ada Michaels-Mason is a British actress and writer. She was awarded as a top young upcoming female actress of the year in 2018 for her self-made proclaimed climb in the film industry. The charismatic prima Donna's work ethic enables her to take a successful climb within the acting trail. She is mainly known for genres such as drama portrayed in Beekeeper (2023) and action in Take Cover (2024); despite her writing material surrounding the theme of romance and thriller, allowing her to be highly diverse within the entertainment industry.
