### **Professional Biography:**

Dana has a passion for uplifting others through compelling and undeniable storytelling. She has loved to act since she was a teenager. Her first lead role was in her church play at the age of 17. She can take on different characters with ease to be successful in a role. She thrives in creativity, is solution oriented with a resilient work ethic and “can do attitude” and always open to learning. She loves to edify, educate and uplift communities.

Dana is a proven achiever and not just a doer in every aspect of her life. Her recent achievement is on air TV and Radio co-host, and rising Actress Dana Jackson Dane has recently confirmed that she made her film debut in the award-winning documentary “How Do You Hear God?” The film premiered in New York, California and will premiere in South Africa and Switzerland. She shared the TV screen with notable actors such as Forest Whitaker and Colin Farrell.

Worked with productions such as Walt Disney, Warner Bros., Netflix, NBC, ABC and MGM+ her writing is featured on (Podcast) Spotify, Amazon Music, and iHeartRadio. She received her first speaking role with Allen Media Group.

A leader in digital and print media, the youngest woman editor to have her writing featured in AP News, and about her staff. She was considered for the Women Leaders in Media Program. She also was invited to participate in BWA's 2024 Animation event sponsored by Titmouse, Netflix and Disney Animation Television, and to support the storytelling for NASA on the story to the Moon.
