## EDUCATION

- 2019-2023 Bachelor of Science in Business Administration - Marketing  
University of North Carolina at Charlotte

## WORK EXPERIENCE

Employment Period: JUN 2019 - PRESENT

### Entertainment Team - NBA Charlotte Hornets

During NBA games and special events, as part of the official Entertainment Team, our primary goal was to create a fun and engaging atmosphere for everyone to enjoy. Engaged large crowds with high-energy routines, crowd interaction, and on-court entertainment. Collaborated with performers, choreographers, and production staff to deliver dynamic, engaging experiences in a fast-paced, professional sports environment. Developed strong skills in live performance, improvisation, and audience engagement.

Employment Period: JAN 2024 - JUN 2024

### Worship Apprentice - Elevation Church

Led and supported live worship experiences across multiple campuses, performing vocally in front of large audiences both in-person and online. Trained in stage presence, musical direction, and team leadership under professional mentors. Gained experience in live production environments, including working with in-ear monitors, click tracks, and cameras. Strengthened communication, consistency, and emotional connection with diverse audiences through performance and ministry.

Employment Period: JUN 2022 - AUG 2022

### Intern - Harvard University

Served as a mentor and residential leader for high-achieving high school students from around the globe during Harvard's Pre-College Program. Facilitated community-building activities, led group discussions, and provided daily support to students in an immersive academic environment. Developed strong skills in public speaking, cross-cultural communication, and leadership—essential for engaging and connecting with diverse audiences.
