Work Experience

Lead First Steps Teacher

Goddard School Roswell-Roswell, GA

September 2022 to Present

I am one of the lead teachers for the first steps classroom. I assist in helping care for children that are 12 to 18 months. We provide daily structure and support around the clock. This consists of changing diapers, feeding breakfast/lunch, morning/afternoon snacks, outside time, and naps.

Paraprofessional

Fulton Academy of Science and Technology-Roswell, GA

August 2023 to January 2025

- Collaborated with teachers and therapists to develop and implement strategies for improving academic and behavioral outcomes
- Provided instructional support to students with special needs, assisting in the implementation of individualized education plans (IEPs)
- Assisted in the preparation of classroom materials, including worksheets, visual aids, and educational resources
- Supported students during classroom activities, ensuring their engagement and participation
- Implemented behavior management techniques to promote a positive learning environment
- Monitored student progress and documented observations for reporting purposes
- Facilitated small group instruction under the guidance of the lead teacher
- Provided one-on-one assistance to students who required additional support or accommodations
- Utilized assistive technology tools to enhance student learning experiences
- Participated in team meetings to discuss student progress and plan interventions
- Collaborated with other paraprofessionals to share best practices and resources
- Attended professional development workshops to stay updated on effective teaching strategies
- Demonstrated flexibility by adapting instructional methods based on individual student needs
- Promoted inclusion by fostering positive relationships between students with disabilities and their peers
- Aided in the supervision of students during recess periods or field trips
- Served as a liaison between parents/guardians, teachers, and school administrators regarding student progress or concerns
- Fostered a safe learning environment by enforcing school policies related to discipline
- Differentiated instruction based on individualized education plans (IEPs) or specific learning goals
- Cultivated strong relationships with students through active listening and empathy
- Maintained confidentiality of student information and adhered to privacy regulations
