DBS institution music school - development

sstoke damerel community college - acting, dance,
singing

About me

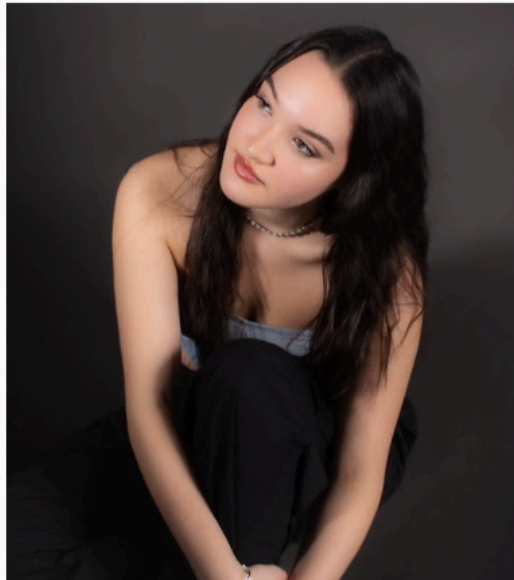

I am a very creative and an outspoken, driven person
when it comes to creating art and getting in the role of a
character.

my hobbies - singing, modelling, cooking, dancing,
makeup artist, sport etc.

I put all my effort into something I enjoy and love. The
way I will cope with any job is having good and positive
group of people around me to give me all the assurance
and support that I might need. I enjoy working in groups
of inspirational / determined people and sharing cool
ideas with each other and then make it come to life
gives me thrill. I confidently work hard towards my big
goals I have a good communication skills and I'm a great
listener.

almost every person I meet with say 'I have a fun and
good vibe.'

when acting I click into character almost straight away,
I'm a professional singer, great dancer and a ambitious
model always work hard even when tired since I'm
ambitions.
