Personality:

Passionate and dedicated performer with a warm, expressive personality. Enthusiastic, focused, and creative in every project. Strong work ethic and ability to take direction well, natural stage presence.

Background:

Born in Honolulu, Hawaii, my father was in the military when I was younger, and we moved around. I am the fifth child of six children. My dad is a 100% disabled combat veteran. My mother helps all of us siblings with all our activities. We moved to Florida in 2020, and this is where we have resided for the last 5 years.

Interests/Hobbies:

I love attending theater classes, performing on stage, spending time with my family, playing video games with my friends, and writing music. I can ride a bike and swim.
