Hi there!

I'm Shamna Jamaludeen, aspiring fashion business student with a strong background of working in fashion industry for five years as a model & stylist. I'm a career driven & hard working individual who isn't afraid to face any challenges. Throughout my studies, I've developed a strong foundation in fashion merchandising and digital marketing strategies. I believe fashion is an art that allows people to express themselves in unique & creative ways. And that's what I love about it.
