Objective

Passionate film student looking for opportunity to expand in experience on film sets. From acting to directing to makeup, there are many talents I exceed in. I am currently wanting to explore different fields in film to build up my skill set. With my overall achievements, my expectations of myself is to bring visions to the screen.

Experience

D2 One Act Festival | Director

December 8th, 2024

Students direct a series of plays and put on a festival to show what they have created. I directed a one act play, The Big Dog by William Cane, for the directing 2 class. Guide actors to prepare them for their performance all semester. Showcase in front of a live audience.

Charmed & Dangerous | Director of Photography | Makeup Artist | Editor

April 14th- 16th, 2025

A short film about a blind date turned into a thrilling chase where we witness predator vs prey. I worked on creating the most suitable shots while working with the camera. I created a character based on a witch and I got to do special fx makeup using water based paints. During post production, I edited the film as well as working on the sound design.

3D | Makeup Artist

March 28th-30th, 2025

A short film for the Advanced Directing showcase. Directed by Natalia Hernandez, she gave me the opportunity to create Sfx makeup including scarring and bruising.

Shitbox | Makeup Artist | Production Assistant

April 4th-6th, 2025

A Thesis film Directed by Erika Lunkwitz. On set I did makeup looks that included fake dirt. While not doing makeup, I would serve as a Production Assistant, assisting anyone needing help.

Queen of Broken Hearts | Director | Makeup Artist | Editor |Director of Photography April 26th, 2025

A music video to an original track featuring Eva Newsom, we created every aspect of the video and during post production, I was in charge of editing. Shown at the Cinematography showcase.

Heartthrob | Director | Makeup Artist | Editor | Director of Photography

February 26th, 2025

A short simple story of a zombie boy wanting the heart of a young woman. I got to create every aspect of this short. I worked on this film solo and had two wonderful actors help me. I directed my actor while controlling the camera. I created a beautiful everyday look for the young woman, and I created a green zombie look for zombie boy.
