INTRODUCING...

MALI DILLON

PROFILE

Laser focused on furthering my acting into feature films and/or TV series.

Fast to learn a script, enjoy taking direction and LOVE everything about being on set. 100% reliable, persistent, committed and well supported by parents.

Directors say I'm easy to work with and well prepared. They love my natural expression and ability to connect with the camera and audience.

WORK EXPERIENCE

Elastoplastic

2025

Role: Holly, little sister

Director: Jack Vernon

- A short crime thriller, where a rebellious young woman gets wound up in a plot to murder her little sisters primary school teacher.

Don't Waste It

2025

Role: Matilda, Scripted Interview

Director: Peter Cousens

- A powerful 30-minute documentary that tells Daniel Morecombe's story, the Foundation's journey, and the ongoing fight to keep kids safe.
