Dear Ms. Bella ????,

I was referred to you by Sandy Lynch. She suggested I reach out to you with my class work and see if you would be interested in representing me. I am interested in film/tv/commercial work.

I have been to several acting studios in both in Toronto and the US. My hope is to start auditioning for work now that I have some on-camera training.

I am a dual citizen of the USA and Canada so am eligible to work in either country.

If you would like to meet or schedule an interview, my contact information is below. I look forward to connecting soon. Attached, please find my résumé and a link to videos of my classwork.

Thanks so much for your consideration and I would truly appreciate any feedback.

Best Regards,
Ming Ou
