Actor | Talent | Model

"I don't just perform. I feel, move,
and breathe every role."

2025 | Indonesia

PORTFOLIO

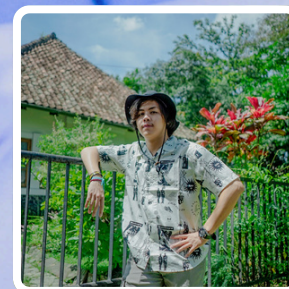

...

WELCOME TO MY PORTFOLIO

Hello There!

I'm Wildan, an actor, model, and talent who is passionate about bringing characters, expressions, and stories to life. For me, performing isn't just a profession—it's a part of who I am.

This portfolio showcases some of my best works, including my most recent projects. Each page reflects a step in my journey—and I believe this is only the beginning.
