As a USAF active duty service member, Connie has had previous SATB vocal ensemble performing arts experience from 2000-present. Her most notable roles are from community theatre performances while stationed overseas through the Aviano Air Base Community Theatre in Italy (2009-2010) as well as the Spangdahlem Air Base Community Theatre in Germany (2013-2015) with one domestic production in Texas at the Wichita Falls Performing Arts Centre in 2019.

As a Federal Civil Service employee at Sheppard Air Force Base, Texas, Connie was cast in Elf, the Musical at the Wichita Falls Performing Arts Centre in 2019. During this production, Connie was cast as an Elf, Department Store Employee, and Waitress. Also during her four years serving at Sheppard AFB, Connie volunteered to sing in the Sheppard Stripes SATB Ensemble Group performing the Star Spangled Banner at various military ceremonies held on this military installation. In late 2021 and early 2022, Connie also performed the US National Anthem off-base at three semi-pro hockey games at the Kay Yeager Coliseum for the Wichita Falls Warriors (now Oklahoma Warriors).

In 2011 Connie met her husband, Jeffrey while they were both stationed at Aviano Air Base, Italy. Connie and Jeffrey later married in Jeffrey's home state of Kentucky in 2012. They recently move back to Connie's home state of California about an hour north of Sacramento where Jeffrey continues to serve on active duty status for the United States Air Force at Beale Air Force Base, CA. Prior to their divorce on 28 February 2025, Connie decided to interview to be mentored by Jack Canfield, Author, Success Coach, which soon led to her becoming a Legacy Club Member connecting her with Jan Fraser's team that led to her chapter submission in Jan's latest Inspired Life Series with the recent release of Book on Love on 29 April 2025.
