I am writing to express my interest in being considered for acting, modelling and commercial opportunities. I am an aspiring actor but I would love to explore other areas in the entertainment industry. Where I am excited to bring my natural talent, work ethic, fresh perspective, and continue to grow and learn as an individual.

While I don't have professional credits yet in the entertainment industry, my passion for performing arts has been driving force throughout my life:

- Drama Student in my high school years 9-12
- Currently a student at Actors Pulse taking the Meisner Technique class and a former student of their Screen Acting class.

My work background of 1 year in customer service has sharpened my ability to connect with people, adapt to various situations and work collaboratively in a team.

Key attributes I bring include:

- Strong work ethic and reliability
- Ability to work as a team and individually
- Great communications skills
