rhianlizzycampbell@gmail.com – 917 982-3249 – Brooklyn, New York

EDUCATION

Queen Margaret's University (United Kingdom University)

Bachelor of Arts in Drama and Performance

Edinburgh, UK

June 2015

MOST RELEVANT EXPERIENCE

Development Researcher (12m contract)

Tuesday's Child

Glasgow, UK

March 2022 – February 2023

- Created and developed new ideas for television, focusing in unscripted television and documentary projects.
- Identified and secured potential documentary subjects, working closely with teams across the country.
- Devised and pitched a reality television concept which was highly commended by BBC commissioners.
- Research, interviewing and casting for prospective shows and development.

Broadcast Coordinator

PA Media (Globelynx)

London, UK

September 2019 – October 2021

- Working as part of the UK's Press Association, helped connect experts remotely to broadcasters around the world.
- During the COVID pandemic, this extended to national daily TV streams from the Prime Minister to the country.
- Interviewed and recorded interviews with experts for the PA Media Video department.
- Provided backup feeds and streams for live TV events and entertainment shows, working with control rooms and producers.
- Operated and adapted across multiple time zones, international ways of working and various languages to ensure success.
- Created and maintained an expert database, making experts discoverable and directly fueling revenue growth.
- Led engagement with the BBC's 50:50 initiative using video content, data and a social media campaign.
- Delivered media training for all experts.

ADDITIONAL RELEVANT EXPERIENCE

AI Content Writer

Data Annotation

Remote

January 2024 – Present

- Training numerous different AI models.
- Analyzing and rating the model according to a complex matrix.
- Rewriting responses and giving constructive feedback for each model.

Performer Support Group Coordinator (3m Contract)

The Royal Edinburgh Military Tattoo

Edinburgh, UK

July 2023 – September 2023

- Managed and coordinated the complete logistics of moving 600 performers around the city.
- Organization, time-planning, and working accurately at speed to ensure success - all performances on time and well reviewed.

Freelance Theater Professional - Lighting Designer & Technician

Self-Employed

National, UK

June 2015 – June 2019

- Worked extensively across theatres and touring productions across the United Kingdom.
- Educated and mentored junior and new theatre professionals, helping others develop and grow.
- Flexible and adaptable to a variety of unpredictable tasks, willing to take on challenging work at short notice
