## Professional Skills

- Special skills in creating and orchestrating audiovisual storytelling content.
- People management skills honed over time in various working situations.
- Competent user of MS Office and internet research applications.
- Written and co-produced an audio-drama series titled: The Family Compass. Also handled casting and management of the project.
- Worked with the Feemo Production Unit from 2022 – 2023. Collaborated with the team to effectively produce daily production activities ranging from prepping actors to logistics management and also working on daily reports and end credits for the show.

## Profile

Hello! my name is Stephanie Ugbeye, also The Vocal Expressionist. I am a full time Voice Actor and Film Producer based in Lagos, Nigeria. I had my voice over training at the Voice Over Academy in 2017 and since then, I have been widely involved in the art of storytelling for both local and international projects. I also currently facilitate reading skills sessions at the Voice Over Academy. I specialize in commercials, animation, audio-dramas, audio books, documentaries and more. I recently joined the Comic Republic Media team as a casting and voice director and I am delighted about directing animated stories.
